

Infos for bands that want to play @ JIM/Mainz

basics, jazz styles etc.

- Modern Jazz, Fusion, most Jazz except Oldtime/Swing and Free Jazz (since there is another jazz club that does that => UpArt e.V. Mainz), Bands with original music have a better chance than bands playing "standards"
- concert dates are the 3rd and 4th Saturday each month exclusively, other dates are not possible!
- we plan way ahead (approx. one year), therefore short term concert applications DO NOT MAKE ANY SENSE at all.
- no concerts in June, July & August
- please do not mail us any newsletters, attachments, youtube or other links
